

Labor Day Weekend Bigfoot Parade

Every Labor Day Weekend is **Bigfoot Days** in Willow Creek with an ice cream social. The festive day is started with a Bigfoot parade. Arrive early, or otherwise by motorcycle, as Highway 299 is closed for traffic during the parade from both ends. I was fortunate enough to ride my motorcycle along the empty opposing lane into town and to catch the parade just in time. Kids including mine absolutely love this holiday event because there are plenty of wet water slides to enjoy. The parade is fun with participants giving out candy. Live music, food and games are also part of this festival weekend.

Willow Creek is your Gateway to Bigfoot Country. Enjoy the scenic Trinity River and her rugged mountains offering you a spectacular motorcycle ride opportunity.

Enjoyed many lunches at the Bigfoot Restaurant - excellent food, plenty of open space and great atmosphere ...where the locals dine
